

Dear Photographer:

The Stevens County Library will be promoting the work of local photographers with an exhibit during the month of April.

All types of photography are welcome and we will do our best to accommodate larger sized photographs. Depending on the response, participants will be allowed space for five to ten pieces. All items must be framed or matted and ready to hang.

We will hang the pieces during the week of March 29 and the display will be held from April 1 – 30. You may bring the photos and information into the library before March 29th to allow us to make display labels prior to hanging the photographs.

The Exhibit will be open during regular library hours. You may pick up your works after May 1. If you have any questions or comments, please contact Eunice at the library.

Feel free to make additional copies of the registration forms below. Thank you for helping to make the Photography Exhibit a success.

Sincerely,

Eunice M. Schroeder, MLS
Stevens County Library Director
